Sangamo Therapeutics Announces Pricing of Public Offering of Common Stock

April 4, 2019

RICHMOND, Calif., April 4, 2019 /PRNewswire/ -- Sangamo Therapeutics, Inc. (Nasdaq: SGMO) today announced the pricing of an underwritten public offering of 11,000,000 shares of its common stock at a price to the public of \$11.50 per share. All of the shares are being sold by Sangamo. The gross proceeds to Sangamo from the offering, before deducting the underwriting discounts and commissions and offering expenses, are expected to be approximately \$126.5 million. The offering is expected to close on or about April 8, 2019, subject to customary closing conditions. In addition, Sangamo has granted the underwriters of the offering a 30-day option to purchase up to an additional 1,650,000 shares of its common stock at the public offering price, less the underwriting discounts and commissions.

Sangamo anticipates using the net proceeds from the offering for working capital and other general corporate purposes, including support for its own and its partnered gene therapy, genome editing, cell therapy and gene regulation product candidates and research programs, its manufacturing facilities and other business development activities.

Cowen and Company, LLC, Wells Fargo Securities, LLC and Barclays Capital Inc. are acting as joint book-running managers for the offering.

A registration statement relating to the shares was previously filed with and became effective by rule of the Securities and Exchange Commission. The offering is being made solely by means of a prospectus. A final prospectus supplement and accompanying prospectus relating to the offering will be filed with the Securities and Exchange Commission and will be available on the Securities and Exchange Commission's website located at <http://www.sec.gov>.
