- Retaliation

At Sangamo, we believe in honesty and integrity. Each of us is highly encouraged to report anything unusual which might be unethical or a violation of our policies or applicable laws. It's not only the right thing to do, it's our responsibility as a member of Sangamo!

The hotline, which is run by an outside vendor, enables you to:

- Make a confidential report in any language, and stay anonymous if you like
- Contact 24/7 via website or toll-free phone from anywhere globally
- Be assured that all reports will be investigated and you will be protected from retaliation

Compliance & Ethics Hotline
